Greetings unto Our august and mighty populace of the Outlands.

As mountain snows begin to melt, and the rivers flow to bring new life to the valleys of our fair Kingdom, We would wish you all the gentle beauty of the changing season.

We have traveled far, met great allies, defended Our lands against mighty foes, celebrated with Our people and rejoiced in their glory. We have returned to Our lands to embrace Our Heirs, the Gracious and Courteous Hoegaarden and Chiara. We know that Our lands and Our beloved people will be nurtured and cared for under their gentle guidance.

Spring is a time of great change and extraordinary beauty and We would congratulate all of those fine Princes who have ascended the thrones of both Calontir and Artemesia. We know full well that Our borders are safely held within Our Royal Cousins trust. We wish Tristram and Katrine, TRM Calontir, and Sean and Caryn, TRM Artemesia, a wonderful reign.

It is at this time, We would like to acknowledge those fine gentles who have joined their peers in serving the Kingdom of the Outlands. Sir Zachariah de Kane, Master Ryan de Caergybi, OP and Mistress Margaret Hepburn, OL. We are sure that their wisdom and council will continue to support Our Kingdom.

Please join us if you can for Kingdom Arts and Sciences in the Shire of Scorpions Hollow to see the finest of our Artisans creations. We are assured that this display will please all of your senses.

16. The Kingdom Minister of Arts & Sciences and designated representatives reserve the right to make exceptions to the above rules on a case-by-case basis.
17. Entries must be registered by 10:00 am on the day of the event - NO EXCEPTIONS.

In addition, all entries MUST PREREGISTER. This can be done using the convenient online registration form provided on the event website or by emailing, phoning or writing to me by March 31st. This will tell me how many judges are needed, and in what fields.

To register your entry I require: SCA name, legal name, local group, name of entry, category of entry and approximate amount of space needed.

In the past there has been discussion on the issuing of first and second place to a single person in a single category. It is my feeling that the winner of a category has already proven their superiority in that field, and therefore the second place prize should go to a different person.

I have been asked if Laurels are eligible to compete. Laurels wishing to compete in an area that is not their primary specialty are welcome to do so. Laurels wishing to get commentary and feedback on projects within their specialty are invited and encouraged to participate in the Laurels Display, which will be in a specially designated area.

This is where I get down on my knees and beg and plead for judges. Please, please, please. We can not have a competition without you! Anyone willing to judge should please contact me with their name, their home location, and the areas they are willing to judge. Thank you!

I look forward to seeing you all in Scorpion's Hollow.

In Service,

Lady Chiara Grassi

Listen to the call of the horns, the stamp of the horse's hooves, the jingle of the fighter's armor. The Pope has declared another Crusade. All able bodied men are asked to go forth once again to reclaim the Holy Land from the Saracens.

It is once again time for everyone's favorite event of the year. Grand Outlandish!!!! And to make it even better, we have a NEW SITE!!! Yes, that's right a NEW SITE!!!! The site is green, it's lush, there's running.... Oh, sorry that's what we wish we had... But what we do have is a site that sits lower than the surrounding area. Which means.... Drum roll please.... LESS WIND!!!!! That's right. There will be less wind than at the Torrance County Park site. There are TREES!!! Trees that even our tallest warriors can't look over. There are rolling hills, there are valleys, there are very few cacti... And all this can be yours to enjoy if you come to Grand Outlandish XXXII.

So, come forth from your shires, your colleges, your baronies... come forth and help in the battle against the Saracens.

Site photos, lists of Coordinators, lists of classes, times for tournaments, and last minute information will be available on the Grand Outlandish Web Site. Links are available from the Outlands Web Site and the al-Barran web site.

Office of the Chiurgeonate

Greeting from the Chiurgeonate.

Congratulations to our 2 new Master Chirurgeons Sir Dennis the Wright and Lady Renee Nix. Congratulations also to our 2 new journeyman chirurgeons Kyre and Patches. Welcome to all of our new apprentices!! I would also like to thank Sir Dennis for stepping up at Estrella and volunteering to be the Chirurgeon in Charge on the Field. He ran a great set of teams. I have had several reports from marshals and others that observed the various holds for injuries that they perceived the least number and shortest length of holds for years at Estrella. There have been several gentles that have voiced interest in becoming chirurgeons. Please get me a copy of your mundane certifications (First aide (or equivalent), CPR and SCA membership). As soon as I have those in hand and some written missive of interest, I will help get you set up as an apprentice!! I would really like to increase the numbers of chirurgeons in the Outlands. We will be having a very full calendar of events this year and I would like to have enough chirurgeons so as to not burn anyone out. If you have any questions or are interested in being a field chirurgeons please contact me!!

In Service to the Dream, The Kingdom and the Chiurgeonate,
Lady Monika the Fair

Herald's Office - White Stag Principal Herald

Greetings, fellow Outlanders!

The White Stag decision meeting schedule: 10 April and 8 May, 12 noon, at my residence. Lunch and drinks will be provided - please advise if you plan to attend so I know how much food to prepare, and let me know of any food allergies/ aversions or dietary restrictions. If you wish to bring a dish to share, that is also welcome. Healthy children welcome. I have cats, for those with allergies. Ca" or e-mail for directions.

Heraldic Mythbusting: I periodically hear someone with right intentions and wrong information tell others that they can't register unicorns (or dragons, or roses, or some other popular charge) because all the possible designs are taken. A variation on this myth is that these charges can only be registered if so many things are added to the device as to make it ugly or impossible to recreate. It is still perfectly possible to register popular charges in simple and pleasing designs; your local herald can help.
